Hi Liz and Ted –

Here is a link to the July 8, 2010 edition of *The Environmental Notice*, http://oeqc.doh.hawaii.gov/Shared%20Documents/Environmental_Note/current_issue.pdf.

Under HRS 343 notices is the following: *Honolulu High Capacity Transit Corridor (FEIS)*. Under Federal Notices is the following: *Notice of Availability, Final Environmental Impact Statement/Section 4(f) Evaluation for the Honolulu Rail Transit Project (Honolulu High-Capacity Transit Corridor Project)*.

I also attached a scanned copy of the legal notice that appeared in the Honolulu Star Advertiser, the only daily on Oahu.
