Subject: Honolulu Rail Project - Airport Update

Hi Ray, Ted and Everyone Else –

We would like to update you on the Airport coordination that is currently ongoing.

Ray and Ted, can I call you at Ray's number (415-744-2802) today at 3:00 p.m. Pacific (1:00 p.m. Hawaii)?

For the rest of us in Honolulu, we can meet in the Alii Place Lobby Conference Room for this call.

Talk to you later.
