Fait, you can include this information in the FEIS

New Starts Rating

The HHCTCP earns an overall project rating of *Medium* against the New Starts criteria. This overall rating is based on a *Medium* rating for project justification rating and a *Medium* rating for local financial commitment rating.

Detailed component ratings are:

Project Justification		Local Financial Commitment	
Mobility	Med-High	Capital Funding Plan	Medium
Land Use	Medium	O&M Funding Plan	Medium
Economic Development	Med-High	Non-New Starts Share	High
Operating Efficiency	Medium		
Environment	Medium		
Cost Effectiveness	Medium		
Overall	Medium	Overall	Medium

The cost-effectiveness index is \$16.24 per hour of travel time savings
