Hi Pua –

The alignment on Ualena Street would be located in the middle of the street. Therefore, the APE would encompass both mauka and makai sides of Ualena Street. Some of the parcels on the makai side of Ualena Street extend to Aolele Street and therefore were evaluated when the alignment was on Aolele Street.

Please let me know if you have any other questions. I would appreciate your efforts to move this along. We would also like to get moving on the PA execution.

Thanks.

Faith

Not yet. Can you tell me if the realignment affects both sides of Ualena?

Subject Honolulu Rail Project - Ualena Resources

Hi Pua and Nancy –

Just checking on the status of the Section 106 concurrence letter regarding the Ualena resources. Has the determination been sent to FTA? If it has, would it be possible for me to get a copy?

Thanks.
