**Subject:** Videotaping of Tomorrow's Seminar on the Honolulu Mass Transit Update at Kapi'olani CC from 11:00am - 12:30pm in Ohia 118 Aloha mai, Councilman Djou and Toru Hamayasu: Mr. Cliff Slater of the HonoluluTraffic.Com organization asked me if tomorrow's seminar may be videotaped. I personally do not have any problems having tomorrow's subject seminar videoaped. However, I believe that I need to consult you first to ascertain your position on this request by Cliff Slater this morning. Therefore, before I get back to him, I want to know if you have any objections. So, would you please inform me if you do or do not mind being videotaped in tomorrow's subject OSA Guest Speaker seminar immediately upon reading this email inquiry. THANKS!
