Subject: FW: Conference call on Constructive use

Hi Lawrence –

I received this last Monday from Ted and did not get back to him. Please prepare an agenda of issues as requested by Ted. Also, availability for whoever needs to be in on this call.

Susan, I also need your availability.

Thanks.

Faith

Subject: Conference call on Constructive use

Hi faith,

I see on to do list that a next steps is a conference call with Jim Barr and Joe Ossi on the constructive use issue. Can you give me a brief agenda of the issues you want to cover so they can be prepared, and also give me some of your availability for next week (to start).

Thanks,

Ted
