Subject: Proposed Fixed Rail Route

Hi Bruce,

It was nice talking with you this morning. We need to know the proposed route of the fixed rail system where it crosses the Army's property at Fort Shafter Flats in the Mapunapuna area. If possible we would like that portion of the route in electronic form (AutoCad or Microstation) so we can have it plotted on our site map. Let me know if you have any questions. Thanks for your help.
