Ah ha! So this is what the Mayor was talking about. Sure looks like a "preliminary" approval of the modified alignment. How did the City know about this if the Region didn't send it to them? It's unfortunate that the Region didn't send this to us on the day they received it. Susan

Hi Ben and Ralph,

The CCH is requesting a copy of the attached letter from FAA to FTA. They can't get a hold of FTA for a copy and HQ FTA is also waiting for a copy from Ray Sukys. Can we release a copy to CCH?

Please call me if you have any questions.

Thank you.
