Attached is the final agenda and latest copy of the Roadmap for the meetings with the PMOC from November 2 to 5, 2010.

The monthly meeting on November 4<sup>th</sup>, including the discussion of the Roadmap, will be WebEx. Information on gaining access via WebEx is contained on the first page of the agenda. The meeting will begin with the discussion of the Roadmap starting at 8:30 am HST, 2:30 pm EDT or 11:30 am PDT. Simon will be sending out a separate WebEx invitation via Outlook to all the "out-of-towners" which will contain the same information included in the agenda.

I have updated the Roadmap since our call last month. All of the dates which have been revised are indicated in red.

If there are any questions please respond back to me via email.
