Ted,

We are providing this because we believe it is complete and ready for FTA to distribute to the other signatory parties. This PA reflects the revisions discussed at the November 13 meeting. The APE maps (Attachment 1) are being revised to show the boundary of the historical architecture APE when printed in black and white. While the NTHP agreed to provide guidance language for Stipulation IX.C by last Monday, they have not yet done so. That stipulation has been revised consistent with discussion in the November 13 meeting.

Let me know if I can provide anything else.

Lawrence
