Renee,

Following up on the below language sent by Steve, my thought was that we would be able to keep the same cover page, which is consistent with the cover page in the Draft EIS and solves the problem of Wayne signing as to approval of both NEPA and HEPA.

Sincerely,

> Hi again. Jesse asked us to send this suggestion for your review.

> Could we add a statement under the Date position on the left side of the

> as to above cited Federal Regulatory Requirements"?

> Would that help reduce the confusion about what Leslie is signing and
> clarify that it does not apply to Hawaii requirements?
