Hi Ray -

Sorry for the delay in responding to your request. We received requests to extend the DEIS comment deadline from the following:

- Kamehameha Schools
- General Growth Properties, Inc.
- Kakaako Business and Landowners Association

These requests were also sent to Ted.

Please let me know if you need copies of the actual letters.

Happy Holidays!!

Faith

Faith, It seems to me like you are missing an opportunity to build some good will with the agencies but that's your call.

Hi Ted -

Attached is the notice of extension of DEIS comment period that will appear in the Honolulu Star-Bulletin on Friday, December 19th. I also understand that there will be a press release.

We discussed the response to those organizations that requested an extension of the DEIS comment period. We do not think it is appropriate for RTD to respond since FTA is the entity that granted the extension. Therefore, RTD will not be responding to the requestors.

Faith

Faith, on the letter, I'd just say you consulted with FTA and determined that a 30 day extension was appropriate and note the new date, and add some language about how negotiations/discussion will continue on specific mitigation etc. as required by law and to ensure that there is an opportunity to mitigate, and work with them, etc. You can copy FTA on the letter. Make sense?
