**Subject:** Today's PMO / FTA Meeting

Today's meetings will start at 8:30 am in the 17<sup>th</sup> floor large conference room.

We will first show the group the fly-over video and then discuss the Roadmap to final design. After the Roadmap discussion we will complete reviewing the attachments to Progress Meeting agenda which were not covered during yesterday's morning meeting. After that is complete, we will start the Pre-Risk Assessment workshop. The GEC has developed a power point presentation which will start off the workshop.

Everybody can view the complete meeting through the web-ex connection similar to yesterday as indicated on the agenda. Since available seats in the room are limited, it is best to follow the meeting thru the internet connection unless you feel it is necessary to be in the room.
