Donna:

Did the letter to Honolulu saying that the IOS is not eligible anymore go out yet?

Did Leslie make a recommendation to the front office on whether they should meet with the mayor and Cheryl Soon?

Steve,

Attached is a briefing paper regarding Honolulu with taking points. This was done in February, and little has changed. I do not know if the letter has been sent by Region 9 to Honolulu regarding eligibility of the BRT MOS for New Starts funds. If the letter has not been sent, we need not mention it in the briefing, because it has nothing to do with safety belts.

Dwayne
