Thanks Diana.

Trudy, when you get verification from the AUSA in Honolulu that he wants these documents, would you please send me and/or Diana his address. Thanks.

Hi Joe-

I have three copies all ready to go. Just tell me where I should send them.

I will also try to call you, but your mailbox wasn't taking messages.

Diana:

We have been directed by a court in Honolulu to hand over all manuals, handbooks, guidebooks, and memoranda prepared by FTA that explain the process of compliance with NEPA. Your NTI course book is the best, most recent document we have that relates to NEPA. We are still seeking guidance from the assistant US attorney handling our case, but if he wants to include the course book, can you have three copies (including CDs) sent by overnight to Honolulu? Do you have any suggestions as to how we would cover your costs for doing this?

Thanks.

Joe
