Steve,

I understand you are off-island in training, but you may have access to e-mail.

Attached is the letter we are preparing for City signature and your concurrence addressing the understanding we have with HOT-A, FTA and FAA. We plan to send you a pdf of the signed letter for you concurrence this week, and if possible you can return a signed pdf to us. If not we can arrange for your signature upon your return.

I believe we have met the concerns of HDOT-A with our final draft that we sent to Guy last Thursday.

Again thanks, and I look forward to concluding this effort very soon.

Jim
