Subject: Re: Consulting Parties Meeting Update

Lawrence,

In the Maps that were sent out via the FTP site (that some people may not have been able to download as it took hours), the maps are inconsistent to other maps we have received as part of the Transit reviews process. I only looked through Map 3 on Part 1 C so far. The Chinatown Historic District is marked incorrectly (it is actually 50' Diamond Head of Nuuanu) and the Merchant Street Historic District is not marked at all (it touches the APE). The Capitol Historic District is actually a National Historic Landmark and the outline is incorrect to that Landmark. It appears you are showing C& C Special Design District boundaries and not the Historic District Boundaries. Could someone at PBA check these maps again and reissue them for review. If they are part of the PA they need to be correct.

Thank you, Spencer Leineweber FAIA

Aloha Section 106 Parties,

This is a reminder that there will be a consulting party meeting on October 21 at 8:30 a.m. The meeting will be a status meeting with an opportunity to discuss resolution of comments and provide consulting parties an opportunity to make final statements. We have received several sets of comments on the last version of the PA and, aside from NPS comments received late yesterday, they have all been considered and where appropriate incorporated into the attached version of the PA. ACHP is preparing final guidance and comments that will be incorporated into a final PA version along with consideration of the NPS comments. This version will be presented next week on Monday October 26 at 8:00 a.m. Honolulu time. Signatory parties will have an opportunity to make concluding comments to the group at the Monday meeting.
