Hi Ted -

My Sunday, August 10th is completely free and so at least I can do a scanning tour with you and Jim. I'll see if I can get some others from the team to join me, but you can plan on having a tour on that day.

Looking forward to seeing the two of you.

Faith

Hi Faith, it works for your team we can do Sunday, I don't expect it would take all day so you can have some of your Sunday. Might be easier to navigate the streets. Then we can all travel to SF on Monday. Let us know

Hi Ted -

Wednesday, July 30th for Conference Call is ok. Please confirm when arrangements made.

Monday, August 11 will be a travel day for me. Most of us will be leaving on a noon flight to SF and so I will be in the office for only a few hours. I can arrange for a scanning tour on that date by other staff members. If it is more workable, I can take you around on Sunday, August 10. Let me know what we can do to show you around.

Faith

Faith, also, we'd really like to keep that August 11 tour date since it allows Jim to attend the meeting here as well and minimizes travel time and cost. Thanks.

Hi Faith,

Ray and I looked at your 106 Coordination status briefing paper and shared it with Jim Barr, who is lead on your project. We thought a conference call would be useful to focus on your areas of question/concern and discuss any issues.

Unfortunately I'm out of the office until Wednesday, July 30, but I'm like to schedule a conference call that Wednesday at 11: AM Pacific (2:00 PM D.C. and 8 AM Hawaii time). If that doesn't work for everyone, I'd like to try Friday August 1 at the same time.

Jim, if you and Faith can get back to me, I'll check my email for this one issue when I'm out and confirm the conference call when I hear from you.

Faith, on another issue, Jim and possibly I were thinking of going to Honolulu for a scan tour of the NEPA issues, we were thinking Monday August 11 and then flying back for the meeting, but we wanted to confirm that you and the NEPA team would be there, we thought you might be here in SF finalizing your draft document. Can you let us know if August 11 is feasible and if not, give us your schedule/availability of days prior to the August 12th meeting so we can reconsider our travel dates if necessary?

Thanks,

Ted
