Jim:
The Honolulu DEIS is about to go to press.
Please review Chapter 7.
Would you suggest any caveats as footnotes in any of these tables?
We (HTS and us in conference call) have agreed to "Note: curenly under review by FTA".
This caveat fails to find its way into any of the tables in the most recent Chapter 7.
Any recommendations?
Jim

Hi Ted and Ray –

Attached are the comment/response matrix for Chapter 7 and the revised Chapter 7.

The only comment that we received on Chapter 8 did not require a change in the Chapter. Therefore, we will not be resubmitting this chapter.

Chapter 6 is being finalized and will be sent to you soon.

I received the conference call information and so we will be talking tomorrow at 8:00 a.m. HST.
