Attached are the revisions for the Draft Environmental Impact Statement that you are printing for PB :

“Front Matter revised.pdf” should replace entirely “Front Matter.pdf” sent yesterday.

“Page 4-121” and “Page 4-125” should replace their respective pages in “4 part 3.pdf” sent yesterday.

If you have any questions about the above, pls call me at 415-290-5489.

Thank you.

Lawrence, if you have anything to add, pls jump in and provide direction.
