Subject: RE: Updated Draft of the Project Working Schedule

Hi Justine:

I am at the APTA conference today and tomorrow. I will be returning to Honolulu on Wednesday. I could send you the schedule as it is now, but we are planning on having a major internal discussion on the schedule and contract packaging later this week. My preference would be to wait until after that meeting because we might change a few things. Would Friday or Monday be ok with you for submitting this?

Regards,

Simon

Subject: Updated Draft of the Project Working Schedule

Good Morning Simon,

During the April site visit we discussed that an updated draft of the working schedule would be issued at the end of April 2008 and that the City would provide the PMOC a copy for review and comment. I need to provide a brief schedule update for the Readiness Report for FTA. Please provide an electronic copy of the latest draft working schedule for PMOC review.

If you have any questions, please call me at 786-586-0026.
