

Honolulu High-Capacity Transit Corridor Project

Meeting Minutes

Date of Meeting: Wednesday,
December 7, 2005,
1:30 a.m. – 2:30 p.m.

Location: HDOT Harbors Third Floor
Conference Room

Subject: Introduction and Project Overview Meeting with Hawaii State DOT – Harbors Division and Aloha Tower Development Corporation

Attendees: Barry Fukunaga, Deputy Director – HDOT
Sandra Pfund, Director of Waterfront Development - ATDC
Toru Hamayasu, Project Manager, DTS
Faith Miyamoto, Environmental Planner, DTS
Mark Scheibe, Project Manager, PB
Lawrence Spurgeon, Environmental Lead, PB
Clyde Shimizu, Engineering Lead, PB

Summary:

- Toru gave an overview of the project. Clyde then gave a brief summary of the proposed corridor alignment options.
- Sharon mentioned that a bill to provide funds to plan for development of Aloha Tower did not pass during the last legislative session. Thereby development is not moving quickly.
- Barry mentioned that Pier 19 is where the inter-island ferry is planned to dock and Pier 9 is where the intra-island ferry would dock.
- Barry stated that HDOT is not supporting the extension of Punchbowl Street into their proposed Cruise Ship Terminal area. They prefer the Ilalo Street extension to tie into Forest Street instead.
