**Subject:** meeting?

Hi Faith,

How did you decide to go? As I mentioned, you can have the 10/21 meeting but it don't think it will be the final one, given the outstanding/late comment. Let me know.

Also, it seems Ray has determined that he wants something on FAA letterhead. He didn't inform me of this but I see it in the email chatter. Maybe you can discuss if you meet with him at the airport.

Ted
