Toru:

As I was sending the inquiry to Susan Borinsky on which I blind-copied you, a message arrived in my inbox from the administrator. It is a cc of his message to Leslie conveying the final approval letter and asking Leslie to proofread it before signing and sending it.

I don't think that I should send the letter (I haven't read it yet) given that it's coming shortly through official channels. If you don't have it by COB, however, I will send it along. Let me know.

Jim
