Hi Everyone –

I am scheduling the task force meeting for Monday, September 28, 2009, 10:00 a.m. to noon, at the City Department of Transportation Services Office, Alii Place Suite 1700, 1099 Alakea Street, Large Conference Room.

I am assuming that Halealoha is the only person that would not be participating in person. Halealoha, please let me know what number I can call to get you patched into the meeting. If there are other people who cannot attend in person, please let me know. I will then get a call in number.

Thanks as always for all your help.

Subject: RE: Honolulu Rail Section 106 PA Task Force

Hi Everyone –

If you assumed that there would be no meeting today, you are correct. No meeting tomorrow also.

At today's meeting of the Section 106 consulting parties, it was decided that any comments on the PA should be submitted by email by this Friday, September 25th; with a new version of the PA distributed on Monday, September 28th; and a meeting scheduled for Wednesday, September 30th to discuss the PA.

Therefore, please let me know ASAP what your availability would be on Friday, September 25th and Monday, September 28th for a task force meeting. We could then have the new PA include the results of the task force meeting.

If we cannot get a meeting scheduled for either one of those days, then I am suggesting that the City would put together proposed stipulation(s) that would address what we heard at Monday's meeting and circulate it by email. The end result would be included in the September 28th version of the PA.

I hope that we can get a time when we can meet either in person or via conference call.

Thanks for all your help and time.
