O.K. We'll mind the beans. Looking forward to receiving the details.

Phyllis: For now just hold the dates. I am hoping to get a head count depending on who comes from our washington staff. Please do not spill the beans. Hopefully soon I can give you details.

Aloha, Nadeem. Simon relayed the good news that there will be a kick-off meeting in Honolulu on November 3rd. (I hope we get PE approval in advance of the meeting - like this month, perhaps!?!).

Do you know how many FTA/PMOC people will be attending? I need to know if the conference room for our usual FTA/PMOC meetings is large enough. Also, it would be helpful if to know the approximate starting time in case Mayor wants to attend the meeting. Any detail that you can share at this point in time will be appreciated.

Mahalo nui,

Phyllis
