Hi faith, Jim should be involved, I'll try to get something set up with him and Ray for after the 13th. Given this the 11-12 pacific timeslot is likely good since it's 8-9 Honolulu and 2-3 eastern, so I'll shoot for that timeframe.

I believe everything I have on paper has also been sent to Wayne. It will take me a little while to scan them all. I can forward the emails sooner.

Subject: Honolulu High-Capacity Transit Corridor UPDATE

Hi Ted and Ray -

Happy New Year! Hope you enjoyed your holidays!!

Now back to work. I have a couple of things that I wanted to bring up with you.

1. We have been working with the State Historic Preservation Division on the effect determinations and would like to update you on the discussions that we have been having. I would like to schedule a conference call with you and whoever else you would like to include for anytime after Tuesday, January 13th at a convenient time for you. Please let me know when would be a good time. I will ask PB to set up a call-in number. Thanks Steve and Lawrence.
2. Would it be possible for you to send me copies of the DEIS comment letters that you have received thus far? We wanted to get a "head start" on preparing the responses.

I will be on vacation until January 12th, but will be checking in periodically. Thanks.
