Dear Mr. Rodgers:

RE: Response to October 15, 2008 Letter Regarding the
Honolulu High Capacity Transit Project

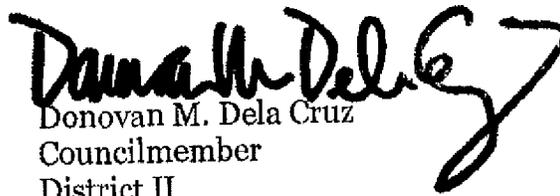

I am following up with you regarding a letter dated October 15, 2008 inquiring on the status of the following:

- Timeline of FTA's review of the initial Environmental Impact Statement for the Locally Preferred Alternative for the City & County of Honolulu
- Alleged inaccuracies and misinformation regarding the opposition's media campaign
- Denial of federal funding for the technology of the Locally Preferred Alternative other than the proposed steel-on-steel system

We requested a response back from your office by October 24, 2008 but have not received it as of October 30, 2008.

Please feel free to contact me directly to inform me as to when we can anticipate receiving the document.

Sincerely,

Donovan M. Dela Cruz
