Aloha Toni,

Thank you very much for accommodating the project on your meeting agenda. I will be there along with other members of the Transit team. Just FYI, we consider this meeting to be Section 106 consultation since you folks are a native Hawaiian organization and we would like to cover impacts to the cultural and archaeological resources but you folks can ask any questions you want relating to the project. See you then. Mahalo and aloha a hui hou.

Lani

Lani

Just so you could have it in writing. We are meeting next Wednesday evening at Halawa Gym at 6:30 p.m. You could come about 7:00 p.m.

Aloha,  
Toni
