No. 9 F.L., Kewa, Keoneula, December 9, 1851

N.R. 720-721v3

The Esteemed W.L. Lee, Esq., J.H. Smith, G.E. Robertson, John Ii, J, Kekaulahao, Greetings: I, Kewa, of Kuwili in Honolulu of the Fort, hereby enter my claim at Kuwili, with two lo`i in one parcel, bounded as follows: mauka, lo`i of Moeino, Waikiki, land of Kamaua, makai, land of Poomanu and of Kamaala, Ewa, Waianue, lo`i of N. Kekai. I got this from Kaniku before the commotion caused by Lord George Paulet, and have occupied it continuously since then, with no objections from anyone.

Because of my desire not to lose this place, I had entered a request to the Minister of the Interior with the diagram of a survey by Makalena, but have not heard his decision. When I heard that the people who lived on the fort lands could re-enter their claims, I decided to enter my claim before you, on this day.

With thanks,

KEWA, X his mark

Poomanu, sworn, I have seen his land at Kuwili ili of Honolulu, Oahu. there is only one section, two taro patches, and the boundaries are:

Mauka, Moeino's own land

Waikiki and Makai, Poomau's land

Ewa, Kekai's land.

He has received this land from Kaniku when Kinau was serving as governor on Oahu. There are no koele's in it nor are there any poalima's. He has lived peacefully without objections to the present time. Because M. Kekuanaoa forbade it he did not enter a kuleana claim. I, Poomanu am the man that the governor has put in charge of Kuwili.

Aholo, sworn, I have seen this claim of Kapulani, a house lot in the ili land of Kuwili, Honolulu, Oahu.

Mauka, Kahele’s lot

Waikiki, konohiki

Makai, ditch

Ewa, Aholo’s place

Land from M. Kekuanaoa in 1849. Kapulani’s lot is old and has been cut through by King Street leading out to Leleo, so Holiliamanu asked for a place for Naawailua and whi wife, Kapulani. M. Kekuanaoa gave them the place which Kimo had and where the slaughter house is located now. Kapulani lived there and in 1849 Holilamanu told her ther he would register the claim in her name and return the papers to her when it was forwarded to him. Afte his death and later in 1849, it was discovered that Kele and Holiliamanu’s wife had possession of the hosue lot so they evicted Kapulani. She complained to Governor M. Kekuanaoa about this, but, due to the fact that the land officers had made this valid, it was not possible to refute it. M. Kekuanaoa then gave Kapulani this place for having lost their place. This is the interest she is claiming now.

Hinaiuka, sworn, the statements made above are true, I have known in the same way.

10 March 1854

Decision made – The place on which Kapulani is now living shall be for her in place of the place which was taken by Holiliamanu.

No. 275, Henraij Zupplein, Claimant, Honolulu, 7 December 1846
F.R. 172-173v1

To the Honorable Board of Commissioners for quieting Land Claims
Gentlemen:

In compliance with your requisition I respectfully beg to state that I lay claims to the following lands, namely

1st a plot of land situate on what is generally now called Broadway in Honolulu, formerly known as King Street of the size & boundaries following:

[DIAGRAM] Title in diagram "Rising Sun Public House"

The above plot of land was given me in the year 1822 by Kalaimoku (Pitt) in return for services rendered, and stock and goods furnished to him by me. I built a house many years ago on the above land which was known as the dog & bell, and I have since rebuilt & improved much upon the land, and my present house is known as the Rising Sun Public House. I have held possession about (23) twenty-tree years.

[margin note:] No. 275B

2nd. I lay claim to lands (the limits of which are not precisely defined) situated at Palama, one called "Kilikili Awa" on the upper part thereof; and consisting of 9 kalo patches; and on the lower part to land called "Poe Poe," consisting of 19 or more kalo patches. These lands are intersected by lands belonging to other people, and were bought by me of his Majesty, Kamehameha 1st in the month of November 1813 or thereabouts. I gave him 40$ in cash, powder &c for them.

I shall feel obliged by your notifying me when you may require my attendance; or any explanation, or to produce witnesses if required; and I am willing to undertake to pay all proper expences [sic] attending these my claims, and have the honor to be, Gentlemen, &c. &c.
Signed, Henraij Zupplein

F.T. 34-35v2
Claim No. 275, Henraij Zupplien, October 6 [1848]

Consisting of 2 claims.
1st, In Honolulu, nearly opposite the Bethel in Chapel St.
3. In Palama, the upper part called Kilikili awa, having 9 kalo patches. The lower part called

Poepoe consisting of 19 kalo patches, as stated in the claim.

William Kanui, sworn testified, It is bounded by:

Chapel St. on the sea side
Yard of Nicholson, East
Hikiau & Austin, North
Mainae, West.

Claimant has lived there from 1823, when witness first knew him. Kalaimoku came here after that time; who gave liquor &c to sell for Mutual profit. Claimant has lived on the land ever since. Witness acted under them in receiving, trading, and paying work people and became acquainted with claimant in that way. The land is fenced in; and was larger at first than it is now; part having been taken off by the road, and people building. No one can dispute the Right of claimant to this land.

2. Palama
Kalau, sworn, He knows the Palama land.

Kalakuohio's land is East
Kapaloa is south
A. Aikuo[?] is West
Kauka Maku, North

Claimant has owned the place since Kamehameha 1st from when he got it, and has held it ever since, having lived there from youth till grown old. There is only one resident, named Kahalau. This relates only to Kilikili awa, the upper part.

[margin note: lower part]
Hanunu, testified on oath, The land is in Palama &

on the North is a small stream
On the east is Kaainapuaa
On south, Pulolei
On West, Naowala.

It was given by Kamehameha to claimant and has been in his possession ever since. There has been no counter claim to it. Only one man is living on the land named Kalua, and he is under claimant.

Kalua, sworn stated, The testimony of Hanunu is true concerning Kilikili awa. He knows claimant has been a long time in possession. He has heard from time of Kamehameha 1st and never heard of any counter claimant or other konohiki.

Poepoe is bounded:

On North by Kaikai's land
On East and South by William Harbottle's land, and
Kaikai's extends on the West.

This land has been regularly in the possession as long as the other. Some of the kalo patches were taken off a long time ago, originally belonging to the land. And the Konohiki was never called to account; nor the patches restored. Witness has known the claimant to have lived there ever since Kaahumanu's time and always heard the land was obtained from Kamehameha 1st. he thinks there are 7 patches and a fish pond. The claimant has had undisturbed possession to the present time.

A freehold title voted.

No. 275, H. Zupplien, October 6 [1847]

Kanui, sworn by the Word of God and stated, I had seen Zupplien in the -year 1822 living on the place that he is claiming now and in the year 1823 Kalaimoku had come and had given that place to Zupplien. It is mauka of Chapel Street; on the east is Kale and Lokai's lot; on the north, is the store of the husband of Kaulukane, also the lot of Hikiau and on the west side is Mainae's place. This is Kapiliena's (Zupplien) property from Kalaimoku. Goats and liquor are the reasons Kalaimoku had given that land to him. The place has been enclosed and there is a house in there. I had been to his house frequently at that time. No one else has interest there but it is his place that has been taken away in small sections. I have not seen the land at Kapalama.

Kahalau, sworn by the Word of God and stated, I have seen Zupplien's property at Kapalama. Kilikiliana is the name. Keahupuaa is on the northern side; Kahakuohia on the east; Kekai's property on the south and Ahaikuou is on the western side. Zupplien had acquired this land during the lifetime of Kamehameha I and he had received it from the king. He has lived there since then to the present time; no one has objected.

Hanunu, sworn by the Word of God and stated, This land is at Nuhelewai and Kilikiliaua is the name.

A stream is on the north
Kainapuaa on the east
Puulole on the south and
Nauole is on the western side.

Zupplien had received this land during the reign of Kamehameha I. Kamehameha had given it to Zupplien. He was the only konohiki there. 6 attendants are living there with Kalua as caretaker.

Kalua. sworn by the Word of God and stated, My knowledge is the same as the one that has been revealed here concerning the land. I have heard that Zupplien had lived there from Kamehameha 1's time. There is also a lele there named Kapoepoe. The property of Kekai is on the northern

part of that lele;

Harbottle's property on the east
and Kekai's place is on the southern and western parts.

That land is in our possession but some patches are gone. This lele and the land, too, are from Kamehameha I. The patches had been given away at the time of Kaikiowa. I had seen Zupplien living there during the lifetime of Kaahumanu. I have heard only that his land had been from Kamehameha I. The lele has 19 patches and one pond. Three were given

Claim No. 275 B Henry Zupplien

This is a claim for 3 distinct pieces of land in the district of Palama, Oahu. These lands are called "Poe poe" "Kilikiliawa" (Makai) and Kilikiliawa (Mauka)

From the testimony taken, there can be no question of Claimants title to these lands: they having been given to him by Kamehameha I.st and ever since occupied by him in undisturbed peace.

According to the First Rule of the Board the Claimants title is clear: and we therefore award to Henry Zupplien, a freehold Estate less than allodial, or in other words, a life Estate in said lands; which he may convert into a fee-simple title by Commutation according to the law. The boundaries of these lands are described in the annexed Surveys of J. Metcalf Esq.r dated 23 February 1848..

I have always heard Boki gave claimant the land, and have known him to occupy and build upon it more than 26 years. There were no houses there when he began to build. F.T. 468v3
No. 591, John Meek, July 11th, 1853, Sec. 6 part 1

Chief Justice Lee, states that he called this day on His Majesty, the King, with the Grant presented by claimant for the land called "Kalauao" and that His Majesty reaffirmed the said grant and stated that it was executed some time in the year 1839.

N.T. 388-390v3
No. 591, John Meek

1. The land transfer document of Kamehameha to John Meek has been viewed (read) and his signature and seal are understood. Therefore, this claim will be set aside until one of the land commissioners shall investigate the granting of this land to John Meek. The document must be taken also for that alone is proof.

2. This property is in Honolulu here. It had been given to John Meek by Poki in the year 1817 and he has lived there since that time to the present.

Namauu sworn by the Word of God and stated, "I have seen John Meek's place here in Honolulu. It is mauka of Chapel St;
on the Waikiki side is Punahele's place
Mauka, Hotel St. and
Ewa, Kaluahinenui's place.

John Meek had received this from Poki just after the arrival of Bingham and has lived there since that time to the present. I haven't known that anyone has objected."

John Ii, sworn by the Word of God and stated, "The boundaries are the same as Namauu has just stated here and I have heard only that John Meek's interest had been from Poki. I think that it was in the year 1826 that the houses had been built. It had been an idle land formerly. It had been enclosed and a well had been dug. He has lived there since to this time. No one has ever objected."

3. "There is another (land) at Kalawao in Ewa. Kamehameha had given (land) in the year 1824 and residence was since then to the present time; however, here is something which is not clear. The date has not been noted in that document; therefore, we will put aside the document for a very short while until there is time to do this work."

4. M. Kekuanaoa, sworn by the Bible and stated, "this land is at Kapalama in Honolulu here and I had heard this. Thomas Meek had mentioned that it had been Kinau's land. John Meek had the land, the fence and all other things. Thomas Meek's interest had been from Kaikioewa, but it is not clear to me when Kaikioewa had given Thomas Meek that place. I think he lived there just as his older brother had and in the same way we had all lived there.

5. Another land is in Waikiki on Oahu here. When we had gone (on a trip) with Haaliho [Haalilio] and the king also, John Meek at this time asked the king for land and the king had

consented to this. It was a cattle raising pasture and we (two) approved just as it has been approved by the king.

The place has been enclosed with a stone wall, The side that is adjoining to my lot has a mud fence;
On the Ewa side is Kekuanaoa's lot
Mauka is the stone wall Kaaihu for the lease land
Waikiki a ditch and
On the makai side is the place for John Ii's attendant.

This place is for none other but John Meek and the Hawaiians who are living there.

See page 399

N.T. 399v3
No. 591, John Meek, from page 388, November 26 [1847]

The king has stated before John Ii of the validity of his grant to John Meek some lands on Oahu; however, the date of the granting is not positive.

Claim of No. 591 John Meek

Part 1.

See Apana 2 Kona for this Claim

This is a Claim for Kalo Lands in the district of Kapa-lama, Oahu; Known by the name of "Kuwili".

From the Evidence of Hon. Mr Kekauonoa taken in this claim, it appears, that the claimant acquired this land from his Brother Captain Thomas Meek who, with the Consent of the King Kamehameha 3 and Minau the Premier, transferred it to the Claim-ant, about the Year 1838, and that the Claimant has been in peaceable possession of the same, from that time, down to the present. The witness adds- "The title of Capt: John Meek to this land is the same as my title to lands given me by the King." There is no Evidence before the Board, as to Manner or time in which Capt: Thomas Meek became possessed of this land - but from the statement of the Claimant which is undoubtedly Correct, this land was given to Captain Thomas Meek by Kaikeoewa in the Year 1832.

In the opinion of the Board, the Claimants Title is rendered perfectly Clear, by the evidence; and the laws enacted for the Government of this Board, and We do hereby award to the Claimant, John Meek a Title, equal to that of any Chief owning lands ac-quired by Gift from the King - namely a Freehold title, less than allodial in the land "Kuwili," as bounded and described in the annexed Survey of J. Metcalf Esq.r made on 22nd of February A.D. 1848. This title may be commuted for a fee simple title as prescribed by law.

No. 655, John Kahaleaahu, Honolulu, August 23, 1847

N.R. 325-326v2

Kaoawai: My claim for a house lot at Kaoawai is what I am petitioning for to you, the Land Commissioners. Kuapuhi was the one who had this place first, and he died. His kaikamahine is living here at this time, not someone else, and his kaikua`ana and makuahine live here also. Keakahiwa, who is his /the deceased/ kaikamahine, is the one who has this place. I, Kahaleaahu, am her kane and I will administer the place. My wahine and the kaikunane and makuahine all decided together that I would be the one to administer it, not themselves, only myself, and they would be under me. If I die, they will regain the administration of their old place.

A portion has been fenced and a portion has not. This is the claim which is explained to you, the people who quiet titles.

I am, JOHN KAHALEAAHU

See No. 663 page 332

F.T. 108-109v2
Claim 655, J. Kahaleaahu, December 27, [1847]

Kahaiao, sworn, I know this place. It is bounded:

On Ewa side by Kooka's place
Mauka by dividing road from Kauaoa's yard
Waititi side by Keomana wahine's
Makai by land of Aualaloi.

There is no other claim to the place. The claim has been in the family since time of Kamehameha 1st. It has been fenced, and has 3 houses on it. Those living in them are under claimant. He has been in possession ever since 1842. When he dies it is to go to Kaiau, the mother, Keikikua, the daughter and her son Keekipi.

Nookipi, sworn, the place was given to claimant by me. My sisters and mother, to hold during his life, to revert to us at his death. This was done because he had become our Guardian, being our brother-in-law, and it was better to have only one head. The boundaries agree with the first account.

N.T. 443-444v2

Claim 655, J. Kahaleahu, December 27 [1847]

Kahaiao, sworn by the Word of God and stated, "This property is at Kaoawai in Honolulu here. I have seen it for I had a house there.

Nakookoo's place is on the Ewa side
Kauana, toward the mountain
the konohiki John Young, Waikiki and
the land toward the sea does not belong to anyone yet.

Ka-haleaahu's parents had lived there during the time of Kamehameha I. The place has a fence and there are three houses there and in the year 1842, Kahaleaahu lived there. He had received it from Kekipi and should Kahaleaahu die, probably then the land would be returned to Kekipi." Kekipi, sworn by the Word of God and stated, "I have seen this place. When our father died, the land was left to us (two) the children and we have given it to Kahaleaahu. Upon his death the land would be inherited by his child with my sister. The reason this place was possessed by Kahaleaahu was because he had become our husband and upon his death the inheritance was for their children. They had two, the second child had died. The boundaries are the same as Kahaiao has just stated."

No. 826, Keakahiwa, Honolulu, Oahu, 27 October 1847
N.R. 455-456v2

Kaoawai
Greetings to the Land Commissioners of the Hawaiian Islands: I, Keakahiwa, am the one who petitions for my claims to my three taro patches. The interest in two patches is very old, from M. Kekuanaoa who was the konohiki from whom I got these patches. I got one patch from Kaniku, the konohiki. Here are the dimensions of the patches from M. Kekuanaoa, who was the konohiki; First patch is, on the north, 26 fathoms 3 feet, on the east, 21 fathoms 1 foot, on the south, 38 fath-oms 4 feet, on the west, 12 fathoms 3 feet. The rear patch is, on the north, 31 fathoms 4 feet, on the east, 12 fathoms 3 feet, on the south, 26 fathoms 4 feet, on the west, 7 fathoms 3 feet, that is the first one.

Here is the second:
Kaniku is the konohiki from whom I got this single patch. On the north, 15 fathoms 4 feet, on the east, 15 fathoms 2 feet, on the south 18 fathoms 3 feet, on the west, 3 fathoms 4 feet. These are my claims for which I petition you, the Land Commissioners.
Farewell and eternal thanks,
KEAKAHIWA

F.T. 236v2
Claim 826, Keakahiwa, See cl. 550, page 55, March 13 [1848]

Kamakee, sworn, I know this place, consisting of kalo patches in three seperate [sic] places in Honolulu.

1. One, bounded
Ewa by land of Lai
Mauka by a kalo patch of Kaniku
Waititi by land of Kaluhe
Makai by Kaiwaole's place.

Claimant got it from Kehaleaahu in 1846 without any consideration.

2. The second piece was received in the same way and at the same time, bounded:
Mauka by Kapehe's place
Ewa by Kanana and Kahaleaahu
Makai by Kahaleaahu & a small pond
Waititi by Kapehe's place.

These lands belonged to claimant's father, Keoupuhi from whom claimant derived them in time of Kamehameha I. I think he died in 1840 but claimant lived there before.

3. Third lot is bounded:
Ewa by Kamana
Mauka by Kahaleaahu's
Waititi by Kamana
Makai by Kanaku.

This was derived from Kuopuhi with the other No. 2. I know of no counter claims to either of these lots.

Kaleo, sworn, I know the truth of the testimony which has been given, and have never heard of any claims asserted of an adverse nature.

N.T. 568v2
No. 826, Keakahiwa, March 13, [1848]

1. Kamakee, sworn and stated, "I have seen the taro patches of Keakahiwa in Honolulu district.

The boundaries of the first patch are Lai's land, Ewa
Kaniku's land, mountainside
Kapehe's land, Waikiki
and Waiwaiole's land, oceanside.

There is no house there. Keakahiwa had received this from Kahaleaahu and in the year 1846 Kahaleaahu had received this land from Kaniku without any obligation."

2. Second Patch, I have seen (it).
Kapehe's land, mountainside
Kanana's house foundation, Ewa, also Kahaleaahu's place;
Kahaleaahu's bathing pool, toward the sea and
Kapehe's place, Waikiki.

This is an old patch belonging to Keakahiwa's father, Kuapuhi by name. He had received this interest from Kamehameha I and had lived as a lopa* since that time. He died in 1840.

3. The boundaries of the third patch are:
Kamana's land, Ewa
Kahaleaahu's place, mountainside
Kamana's place, Waikiki and
Kaniku's land, oceanside.

This is the second of the old patches that Kuapuhi had owned and Keakahiwa has these patches at this time.

Kaleo, sworn by the Word of God and said, "I have seen these three patches of Keakahiwa and everything about them just as Kamakee has related to you here."

No. 1034, Kapauhi, Honolulu, Oahu, October 15, 1847, [See also Kuhelelei 8400]
N.R. 598v2

Greetings to the Land Commissioners: I hereby tell you of my house lot claim at Iwilei in Honolulu. It is bounded on the north by the lot of Paele, on the east by kula, on the south by the lot of Kekai, on the west by a Road.

It was I who made the fence, and four houses are within this lot, which are mine. They have been held peacefully and this month, A. Keliiaho-nui is objecting and is charging a large payment if I live there, therefore I consented not really wishing to go, but because of fear of the burdensome pay-ment. Knowing that I have a genuine claim to this place, therefore I petition you to consider this action by A. Kelliahonui.
I am, with aloha,
KAPAUHI X

Kahahawai, sworn, I know this place. It is a house lot in Honolulu, bounded:

Mauka and Waititi by my lot and also on the other two sides.

Kekaiolau's is mauka of my land. Nalowai is on my Ewa side. It is fenced. And has two small houses belonging to claimant and two to Muoli. They have a joint claim to both houses and land.

They received it from Kahauwai in Kinau's time where they have lived to the present time without being disturbed.

Kaui, sworn, and knew the previous statement to be true and knew of no counter claimant.

N.T. 47-48v3
No. 1034, Kapauhi, May 12

Kahahawai, sworn and stated, "I have seen Kapauhi's property in Honolulu here and the boundaries are:

My properties, mountainside
Waikiki and toward the sea
Naluai's property, Ewa.

This property has been enclosed and Kapauhi has two houses, also Mauli has two houses there. M Puli and Kapauhi have lived here together during the time of Kinau and they both have equal interests in this property. I have given them this property with love and no one has objected."

Kaui, sworn and said, "I have seen this property exactly as the remarks Kahahawai has made here."

To the Land Commissioners, Greetings: Concerning the claim which we had tried before the Supreme Court Judges, I hereby tell you of the three patches which were awarded to me because of your gracious instructions, I hereby tell you the measurements: Patch One is 11 fathoms, 11 feet, Patch Two is 56 fathoms, 11 feet 5 inches. This [is] what I understand from doing without the proper equipment.

Also, there is my house lot claim at Kaoawai to be worked on, to verify its correctness, and my six patches there.
