

ALA MOANA

Neighborhood Transit-Oriented Development (TOD) Plan

COMMUNITY WORKSHOP #2

Tuesday, February 19, 2013 ~ 6 pm

McKinley High School Cafeteria, 1039 South King Street

- light refreshments provided -

A Plan is in the Works!

Join your neighbors and help shape the neighborhood around the planned Ala Moana Center rail station.

What's appropriate for new housing, jobs, and shopping choices? Share your thoughts on how to connect the station to the community with improved sidewalks, bicycle lanes, and more.

Get involved now, and let us know what's important to you!
