To Honorable William Lee & others, &c, &c, &c.

Gentlemen: In pursuance of the public notice, I, as attorney for the heirs of the late George Beckley, beg leave to present the following claims of the said heirs.

[817] Cl. 1. To one farm with the fishing grounds attached called Kealahewa, situated in the district of Kohala, Island of Hawaii, given to said George Beckley by King Kamehameha I about or in the year 1811, subject to the division made, or to be made, of such lands as are held under like circumstances.

818 - Cl. 2. Also to one farm with the fishing grounds attached called Kaliheawa, situated in Kalihi, Island of Oahu, given to the said George Beckley by Keopuolani about or in the year 1815, subject to the division made or to be made of such lands as are held under like circumstances.

Both of the above named farms with fishing grounds attached have been in the uninterrupted possession of the said George Beckley and his heirs from the time they were given; the said George Beckley to the present time.

819 - Cl. 3. Also to one farm called Kawailole, situated at the mouth of the valley of Manoa, Island of Oahu, sold to the said George Beckley by Kalaimoku (then Governor of Oahu) about or in the year 1815 and was in the uninterrupted possession of the said George Beckley and his heirs until 1827, when on 7th day of March 1827, said farm was left to Richard Charlton by Poki, Governor of Oahu, for the term of 28 years, to be returned to the heirs of the said George Beckley at the expiration of said term.

820 - Cl. 4. Also to one premises situated in Honolulu, Island of Oahu, given to the said George Beckley by the King Kamehameha I about or in the year 1819, which premises have been enclosed, built upon and occupied by the said George Beckley and his heirs ever since that time. Also to one premises situated in Honolulu, Island of Oahu, given to the heirs of said George Beckley by the authority of Honolulu, in place of a piece of ground cut off from the premises (received of King Kamehameha I in 1819) as above named, at the time said authorities altered and improved the streets of Honolulu; now in the undisputed possession of the said heirs and under them, in occupation of John Sweetman. Said premises are bounded:

Cl. 817 to 821, A.H. Fayerweather for Heirs of George Beckley, 19 June.

No. 817, 818, 819. The Heirs of George Beckley, viz[?] Ahia (Widow of Beckley) William Beckley, Maria Beckley (wife of Kamakahonu), Abram (infant child of Nancy Beckley), Mary Beckley (wife of A.H. Fayerweather, George Frederick Beckley (absent from the Islands since 1834 and last heard from in 1841 at Valparaiso), Marie Beckley (wife of George W. Punchard).

A.H. Fayerweather, as attorney for the heirs, stated that the land comprised in these three claims were given by the King (at the late division of lands) to the heirs of Beckley without any division, and that he had presented a certificate to this effect to the President of the Board which could not be found: case postponed until another can be obtained). He further stated that in the late division, the King left these lands untouched, and took three other lands on Hawaii called "Muliwai" in "Waipio." "Waaloaa," or Kihapai and Pualoalo in Kohala (See William Beckley's claim No. 976).
