HISTORIC PRESERVATION MONTH

Holau Market event in Chinatown on Kekaulike Street.

To celebrate Historic Preservation Month with the State of Hawaii's Historic Preservation Division, HART showcased a property owned by the rail project called Holau Market.

HART brought together Honolulu's historic preservation community, architects, planners and cultural historians to share the history of Holau Market within the Chinatown community. In addition, attendees were able to take part in an architectural tour of the historic building and enjoy a hula performance of "Holau" as sung by original artist and composer Lena Machado.

Holau Market is located on Kekaulike Street and adjacent to the future Chinatown Rail Station.
